Personal to Subscribers

WE WILL SEND to every subscriber or reader of The Commoner or worthy person recommended by a subscriber or reader, a full sized One Dollar package of VITÆ-ORE, by mail, Postpaid, sufficient for one month's treatment, to be paid for in one month's time after receipt, if the receiver can truthfully say that its use has done him or her more good than all the drugs and dopes of quacks or good doctors or patent medicines he or she has ever used. Read this over again carefully and understand that we ask our pay only when it has done you good, and not before. We take all the risk; you have nothing to lose. If it does not benefit you, you pay us nothing. Vitæ-Ore is a natural, hard, adamantine, rock-like substance—mineral—Ore—mined from the ground like gold and silver in the neighborhood of a once powerful but now extinct mineral spring, compared to which the springs of the present day are but pygmies, whose waters, impregnated with the healing and medicinal qualities of the Ore found at its base, no doubt spouted for centuries before the foot of man trod the Western Continent. It requires about twenty years for oxidization. It contains free iron, free sulphur and magnesium, and one package will equal in medicinal strength and curative value 800 gallons of the most powerful, efficacious mineral water drunk fresh at the springs. It is a geological discovery, to which there is nothing added or taken from. It is the marvel of the century for curing such diseases as Rheumatism, Bright's Disease, Blood Poisoning, Heart Trouble, Dropsy, Catarrh and throat Affection, Liver, Kidney and Bladder Ailments, Stomach and Female Disorders, LaGrippe, Malarial Fever, Nervous Prostration and General Debility, as thousands testify, and as no one answering this, writing for a package will deny after using. Vitæ-Ore has cured more chronic, obstinate, pronounced incurable cases, than any other known medicine and will reach such cases with a more rapid and powerful curative action than any medicine, combination of medicines or doctor's prescription which it is possible to procure.

Vitæ-Ore will do the same for you as it has for hundreds of readers of this paper, if you will give it a trial. Send for a \$1.00 package at our risk. You have nothing to lose but the stamp to answer this announcement. We want no one's money whom Vitæ-Ore cannot benefit. You are to be the judge! Can anything be more fair? What sensible person, no matter how prejudiced he or she may be, who desires a cure and is willing to pay for it, would hesitate to try Vitæ-Ore on this liberal offer? One package is usually sufficient to cure ordinary cases; two or three for chronic, obstinate cases. We mean just what we say in this announcement, and will do just as we agree. Write today for a package at our risk and expense, giving age and ailments, and mention this paper, so we may know that you are entitled to this liberal offer.

TOOK MEDICINE FOR TWENTY YEARS

No Permanent Benefit

Vitæ-Ore Brings a Complete Cure

I feel it my duty to tell you, and also the general public, what Vitæ-Ore has accomplished for me. For the last twenty years I have taken all kinds of medicine, but at no time received more

than a slight temporary relief, three years ago I took treatment from one of the best doctors at Leopold, Indiana. He examined me and gave as his opinion that I had Catarrh, Bronchitis, Liver and Kidney trouble. I was at that time taken with a severe pain in my back which he diagnosed as Rheumatic Lumbago. I doctored with him continually and persistently

for five months' time, getting relief for only a very short time, and gave up hope of ever getting well again. Vitæ-Ore was recommended to me by a friend who had used it and spoke of it very highly. I procured a full treatment and began immediately to use it according to directions. As a result, my suffering is now a thing of the past, and my cure is a permanent one, as this occurred fifteen months ago, during which time I have felt as well as I ever did in my life and continue to feel so. I am forty-four years old. My wife also has reason to praise it as strongly as I have, she having been cured by its use of a Stomach Trouble. I conscientiously believe that Vitæ-Ore has saved my life, and certainly will do all in my power to bring it to the attention of those about me. JOSEPH L. MEUNIER, Apalona, Ind.
